This post was co-authored by Barbara Bavis and Robert Brammer, Legal Reference Librarians.. Legal drafting

is a very structured method of writing that can prove intimidating to the uninitiated. In this Beginner's Guide, we will recommend some sources that will help you excel in the legal drafting process.

History of the American legal profession

The History of the American legal profession covers the work, training, and professional activities of lawyers from the colonial era to the present. Lawyers grew increasingly powerful in the colonial era as experts in the English common law, which was adopted by the colonies. By the 21st century, over one million practitioners in the United States held law degrees, and many others served the ...
