## Sociology of law

The sociology of law (or legal sociology) is often described as a sub-discipline of sociology or an interdisciplinary approach within legal studies. Some see sociology of law as belonging "necessarily" to the field of sociology, but others tend to consider it a field of research caught up between the disciplines of law and sociology. Still others regard it neither a subdiscipline of sociology ...

## Philosophy

Philosophy (from Greek φιλοσοφία, philosophia, literally "love of wisdom") is the study of general and fundamental questions about existence, knowledge, values, reason, mind, and language. Such questions are often posed as problems to be studied or resolved. The term was probably coined by Pythagoras (c. 570 – 495 BCE). Philosophical methods include questioning, critical discussion ...

## Concept of Proportionality in Law

The concept of proportionality originates in German administrative law. [] In R (Daly) v Secretary of State for the Home Department, [] Lord Steyn adopted a three-limb definition of proportionality: (a) the legislative objective is sufficiently important to justify limiting a fundamental right; (b) the measures designed to meet the legislative objective are rationally connected to it; and (c ...
