Epic SmartPhrases | World's Best Site – Thoughts on ...

You can also just open the smartphrases in the smart tool manager and copy-paste into simple text files that can then be copy-pasted into the same manager at her next employer. This assumes that the next employer uses EPIC. It also assumes that things like embedded SmartLists aren't unique to the institution's build, but they probably are.

EPIC Smart Phrases

EPIC Smart Phrases

In the world of EHRs these are known as smart phrases or dot phrases. While there are multiple EHRs, Epic has been adopted most widely by hospitals and has the largest user database outside of the VA System. Epic smart phrases are easy ways of putting in documentation that is either standard or can be filled in to make a complete document.

Advanced Charting Techniques for EpicCare Physicians ...

Phrases (i.e., Phrases generally without a common pre?x) that can bene?t every user. These chapters are well worth reviewing carefully. The Phrases there have great usefulness in everyday charting notes, and most of them are used with high frequency. These

EPIC tips and tricks : medicalschool

Copying smart phrases from other residents has always been a big time saver for me. Also if there are any phrases you use frequently (e.g. normal physical exam), you can put that into a smart phrase and then just put that in every note and edit the parts that need to be changed.

Creating & Summoning Dot

- Dot-phrase names in Epic are usually intuitive abbreviations of the text included in the phrase- PROB stands for problem list, DIAG stands for encounter diagnosis, etc.
- Summon system dot-phrases by typing a period (.) and then a few letters of the dotphrase title, without any spaces.

Epic users, what's your favorite dot phrase? : medicine

We just rolled out Epic here. I've used it elsewhere and built a plethora of smart phrases and it saves me significant documentation time, save when I wrote them on a slow night on call. On call now and it ain't Über busy, so here's mine. I like how you can have different pieces pop up and click through, dependent on
