## **The Language of the Game by Laurent Dubois | Basic Books**

"Laurent Dubois' *The Language of the Game* is a primer for beginners, a guide for the engaged, an anthology to please veterans, and a gentle meditation on the game of soccer; critical when necessary, it is, nonetheless, a treat to hear a voice in football that still speaks of awe, wonder, and pleasure."

## **Understanding The Game of Soccer**

**The Rules of the Game:** Soccer is very simple to understand. Each team can field eleven players at any one time and they can make substitutions at any point in a game. The number of changes is dependent on the league, but in the current era three substitutions is the accepted norm across the leagues.

## **How to Understand Soccer Strategy: 10 Steps (with Pictures)**

While the premise of soccer (known outside North America as football) seems simple--to kick the ball into the opposing team's goal--the strategies are endless. Think of soccer as a field of study; to completely understand it, you'll need...
