Freeware Top 30

1- Everything: desktop file search that will transform the way you use your PC Sounds hyperbolic, perhaps, but I stand by it 100%. "Everything" is a super fast desktop file-search that integrates in the right click context menu.

Chapter 2. Installation Details

Depending on your Windows configuration, you may see warnings about unsigned drivers, or similar. Click Continue for these warnings, as otherwise Oracle VM VirtualBox might not function correctly after installation. The installer will create a Oracle VM VirtualBox group in the Windows Start menu, which enables you to launch the application and access its documentation.

Revo Uninstaller Pro

Gunderic Hagen I used this programs but did not help with a particular app I wanted to uninstall. I contacted support and they tried to help me, to no avail. The other problem that I've found is that, the software offers you so many options that for someone who is not so savvy with app (like me), it is definitely not helpful.
